How's your new love

I hope that he's doin' fine

Heard you told him, yes baby

That you'd love him till the end of time

Well you know, that's the same thing

That you told me

Well, it seems like just the other day

Ain't it funny how time slips away

Gotta go now

Guess I'll see you hanging round

Don't know when though

Never know when I'll be back in town

But I remember what I told you

That in time you're gonna pay

Well ain't it surprisin' how time slips away

Yeah, ain't it surprisin' how time slips away
