(some parts of the solo go too high/low for the harmonica so I had to change it a bit. With this version you still play the same notes just higher/lower for some parts)

Lyrics

When the night has come And the land is dark And the moon is
the only light we'll see No I won't be afraid Oh, I won't be
afraid Just as long as you stand, stand by me
So darling, darling Stand by me, oh stand by me Oh stand,
stand by me Stand by me
If the sky that we look upon Should tumble and fall Or the
mountain should crumble to the sea I won't cry, I won't cry
No, I won't shed a tear Just as long as you stand, stand by me
And darling, darling Stand by me, oh stand by me Oh stand now,
stand by me Stand by me
Darling, darling Stand by me, oh stand by me Oh stand now,
stand by me, stand by me Whenever you're in trouble won't you
stand by me Oh stand by me, oh won't you stand now, stand
Stand by me...
