The Good Shepherd is a 2006 spy film produced and directed by Robert De Niro and starring Matt Damon, Angelina Jolie and De Niro, with an extensive supporting cast. De Niro also produced it with James G. Robinson and Jane Rosenthal. Although it is a fictional film loosely based on real events, it is advertised as telling the untold story of the birth of counter-intelligence in the Central Intelligence Agency. The film's main character, Edward Wilson (portrayed by Matt Damon), is loosely based on James Jesus Angleton and Richard M. Bissell. This was Joe Pesci's first film appearance after his six-year hiatus from acting between 1999 and 2005. Eric Roth, the film's screenwriter, began to work on the project after he abandoned his attempt to bring Norman Mailer's Harlot's Ghost to the screen. Like De Niro's film, Mailer's novel is a fictionalized chronicle of the C.I.A.

“The First Noel” (also written “The First Noã«l” and “The First Nowell”) is a traditional classical English carol, most likely from the 18th century, although possibly earlier. The word Noel comes from the French word Noã«l meaning Christmas, from the Latin word natalis which translates as birthday”.In its current form, it is of Cornish origin, and it was first published in Carols Ancient and Modern (1823) and Gilbert and Sandys Carols (1833), both of which were edited by William Sandys and arranged, edited and with extra lyrics written by

Davies Gilbert for Hymns and Carols of God. Today, it is usually performed in a four-part hymn arrangement by the English composer John Stainer, first published in his Carols, New and Old in 1871. Variations of its theme are included in Victor Hely-Hutchinson's Carol Symphony. The melody is unusual among English folk melodies in that it consists of one musical phrase repeated twice, followed by a refrain which is a variation on that phrase. All three phrases end on the third of the scale. It is thought to be a version of an earlier melody sung in a church gallery setting "The First O Well"; a conjectural reconstruction of this earlier version can be found in the New Oxford Book of Carols.
