## Lyrics

Bitch boy back up off me before you catch these hands  
You're in the pit  
Don't give a shit and off a couple tabs  
Extend my fist and bust his lip  
Fuck no I can't relax

---

 We share **Hamornica Tabs** for Free – Our goal is to have a website where everyone can find and share all of their Harmonica Tabs in one central location. Please feel free to look around and post the harp tabs you have or request ones you are looking for.

Put on my mask and rob the trap just so I can relapse  
Coming to end your fucking life  
Straight out the fire to terrorize  
Look in my eyes  
This your demise  
Fuckboys going to die  
Straight out the wild  
Bound for the mile  
\$lick the mortified  
The devilish child with a crooked ass smile  
Welcome to the night  
I want to believe  
Grey- Grey blade  
Grey camo rag wrapped around my face  
Yung Plague dodging ammo  
Animal instinct to erase  
Dragon ashing blunts in my fucking talons  
Grab 'em  
Drag 'em to the fire  
Let 'em burn up  
We ignite 'em  
Plague robbing grave  
Laced blunts with fuckboy brains  
Plague up in flames  
Let the ash rain  
Ash king reigns  
Plague so fucking insane  
Don't touch my fucking lane  
Don't brush my fucking mane  
Go tuck your fucking chain  
I want to believe
