Lyrics

I hurt myself today To see if I still feel I focus on the pain
The only thing that's real

The needle tears a hole The old familiar sting Try to kill it
all away But I remember everything

What have I become My sweetest friend? Everyone I know Goes
away in the end

And you could have it all My empire of dirt I will let you
down I will make you hurt

I wear this crown of thorns Upon my liar's chair Full of
broken thoughts I cannot repair

Beneath the stains of time The feelings disappear You are
someone else I am still right here

What have I become My sweetest friend? Everyone I know Goes
away in the end

And you could have it all My empire of dirt I will let you
down I will make you hurt

If I could start again A million miles away I will keep myself
I would find a way
