A Better Tomorrow(□□□□, □)

A harmonica intro tribute to a Hong Kong crime film. Lot's of bends in this version, but better than having a overblow.

Lyrics

Yo, this goes for all my brothers and sisters locked down For
all my peoples incarcerated, for those who ain't make it
Yo, in the housing, thousands seen early graves Victims of

worldly ways, memories stays engraved All my live brothers, is
locked down with high numbers The young hunger, blind to these
lies, they die younger In this New World the Order slaughter
men, women, and children Ten feet gates surround the building
keep us sealed in The projects, lifeless like a Vietnam vet
Constant war, sever threats of enemy conquest Crooked cops
comb my building complex that's in the rumble Streets are like
a jungle, can't let my cipher crumble Vivid thoughts, Devils
resort to trick knowledge They kick garbage, lust for chicks
and quick dollars I know the pain the game bring, I did the
same thing Spaced out in the staircase, performing a sting
It's hard to keep control, I bless those who seek a scroll
Trying to reach a whole nation and break the sleeper hold Not
a role model, I walk a hard road to follow I sold bottles of
sorrow then chose poems and novels The gospel was told, some
souls it swallowed whole Mentally they fold, and they
eventually sold Their life and times, deadly like the virus
design But too, minute to dilute, the science is mine

You can't party your life away Drink your life away Smoke your
life away Fuck your life away Dream your life away Scheme your
life away 'Cause your seeds grow up the same way

A voice cries from the wilderness of the North A
representation of the families that lost one All victims of
incarceration Or other divisions of the family structure
Youths are injected with serums that leads To skin
irritations, babies being born with Disfigurations,
experimentations On their faces there bear world relations Of
mothers that carry the pain Of blood stained streets where
sisters mourn and wail Big brothers been slain from hails of
gun fire It lightly begins to rain screams of terror Are
hidden by the passing trains This can't be little Shane, his

uncle cried As he drops to his nephew's side, holding his cane
Just give me a name, of who has inflicted this Bitter
sickness, and left us to witness

Yo Curses from war, innocent blood spills for days Soothe in
godly ways, hands, solemn in praise Tree of life, more
precious than Wu is golden game The wise self flourish
inherit, Halls of Fame Crime visions in my blood got me,
locked in prison While we die hard living people whine about
religion, vision Blow, spin, and sin and killing what's
revealing It's a never ending battle with no ending or
beginning, listen Zero process, progress, become the hunted
America's most wanted, good life flaunted, want it Some love
the speed, some satisfy a need Some want to be down, young gun
seed, jungle breed The stronger speed, someone die, someone
bleed One flew astray, and then caught my little seed Can it
be, the ice have us trifle life, made me grab the knife The
righteous man would be within these stripes pipes Take in my
energy, breath and know the rest Cause the good die young and
the hard die best

You can't party your life away Drink your life away Smoke your
life away Fuck your life away Dream your life away Scheme your
life away Cause your seeds grow up the same way Cause your
seeds grow up the same way Cause your seeds grow up the same
way

Y'all bitches love dances, and pulling down your pants While
your man's on tour, your spending up his advances Your friends
ain't shit, all they do is drink, smoke, and suck dick The
whole projects is trapped in stench You either high school
drop-outs, one to three cop-outs Fifteen years old, shorty a*s
and top out Ninety-nine cent beer drinking p*ssy stinking
Fucking so much your a*s and titties start shrinking New World

Order slave trade, minimum wage, better cage Can a devil fool
a Muslim nowadays Inside my lab, I'm going mad Took two drags
off the blunts, and started breaking down the flag The blue is
for the Crips, the red is for the Bloods The whites for the
cops, and the stars come from the clubs Or the slugs that
ignites, through the night, by the dawn Early light, why is
sons fighting for the stripe

As we dwell through this concrete hell, calling it home Mama
say, take your time young man and build your own Don't wind up
like your old dad Still searching for them glory days he never
had So many bad want to scheme for American dream, no more
kings The cash rule everything now, we going down These babies
looking up to us, it's up to us The Million Man March MC's,
get on the bus But envy, greed, lust, and hate, separate
Though the devil mind state blood kin cannot relate No longer,
brothers, we unstable Like Kane when he slew Abel, killing
each other

You can't party your life away Drink your life away Smoke your
life away Fuck your life away Dream your life away Scheme your
life away Cause your seeds grow up the same way Cause your
seeds grow up the same way Cause your seeds grow up the same
way
