## Lyrics

A blossom fell from off a tree It settled softly on the lips  
you turned to me The Gypsies say, and I know why A falling  
blossom only touches lips that lie

A blossom fell and very soon I saw you kissing someone new  
beneath the moon I thought you loved me, you said you loved me  
We planned together to dream forever The dream has ended, for  
true love died The night a blossom fell and touched two lips  
that lied

A blossom fell and very soon I saw you kissing someone new  
beneath the moon I thought you loved me, you said you loved me  
We planned together to dream forever The dream has ended, for  
true love died The night a blossom fell and touched two lips  
that lied
