Lyrics

A blossom fell from off a tree It settled softly on the lips
you turned to me The Gypsies say, and I know why A falling
blossom only touches lips that lie
A blossom fell and very soon I saw you kissing someone new

beneath the moon I thought you loved me, you said you loved me
We planned together to dream forever The dream has ended, for
true love died The night a blossom fell and touched two lips
that lied

beneath the moon I thought you loved me, you said you loved me
We planned together to dream forever The dream has ended, for
