## Lyrics

A boy without a girl Is a song without a tune Is a year  
without a June, my love

A boy without a girl Is a day without a night Is a star  
without a light, my love

And since you've come to me All the world has come to shine  
'Cause I've found a girl who's really mine

And if you stay with me All your life you'll never be A girl  
without a boy, my love

My love, my love

And since you've come to me All the world has come to shine  
'Cause I've found a girl who's really mine

And if you stay with me All your life you'll never be A girl  
without a boy, my love

My love, my love My love, my love
