Our little dream castle

With every dream gone
Is lonely and silent
The shades are all drawn
And my heart is heavy
As I gaze upon
A cottage for sale

The lawn we were proud of
Is waving in hay
Our beautiful garden has
Withered away.
Where we planted roses
The weeds seem to say...
A cottage for sale

Through every window
I see your face
But when I reach that window
There's empty space

The key's in the mailbox
The same as before
But no one is waiting for me anymore
The end of our story
Is there on the door
A cottage for sale.
