Lyrics

Oh I had a horse and his name was Bill And when he ran he
couldn't stand still He ran away one day And also I ran with
him

He ran so fast he could not stop He ran into a barber shop
Fell exhaustionized - with his eye teeth - In the barber's
left shoulder

I had a gal and her name was Daisy And when she sang the cat
went crazy With deliriums - St. Vituses - And all kinds of
cataleptics

One day she sang a song about A man who turned himself inside
out And jumped into the river He was so very sleepy

I'm going out in the woods next year And shoot for beer and
not for deer Well I am, well I ain't I'm a great
sharpshootress

At shooting birds I am a beaut There is no bird I cannot shoot
In the eye, in the ear, in the teeth And in the fingers

I went up in a balloon so big The people on earth looked like,
a pig Like a mouse, like a caddydid Like flyses and like
fleases

The balloon had turned up with its bottom side high Fell on
the wife of a country squire She made a noise like a doghound,
like a steam whistle And like dynamite

What, could you do in a case like that What can you do but
stamp on your hat Or on your mother, on your toothbrush And on
everything that's helpless
