(Repeat 1st Verse And Repeat Last Two Lines)

After nine days I let the horse run free

'Cause the desert had turned to sea

There were plants and birds and rocks and things

There was sand and hills and rings

The ocean is a desert with its life underground

And a perfect disguise above

Under the cities lies a heart made of ground But the humans
will give

no love

Lyrics

On the first part of the journey I was looking at all the life
There were plants and birds and rocks and things There was
sand and hills and rings

The first thing I met was a fly with a buzz And the sky with
no clouds The heat was hot, and the ground was dry But the air
was full of sound

I've been through the desert On a horse with no name It felt
good to be out of the rain In the desert, you can remember
your name 'Cause there ain't no one for to give you no pain
La, la, la, la, la, la La, la, la, la, la, la La, la, la, la,
la, la La, la, la, la, la, la

After two days in the desert sun My skin began to turn red
After three days in the desert fun I was looking at a river
bed And the story it told of a river that flowed Made me sad
to think it was dead

You see I've been through the desert On a horse with no name
It felt good to be out of the rain In the desert, you can
remember your name 'Cause there ain't no one for to give you
no pain La, la, la, la, la, la La, la, la, la, la, la La, la,
