Lyrics

For I bring a little white gardenia As refreshing as a day in
May You may wear it if you care Or toss it away

If you look into this white gardenia There's a message there I
dare not say That I'll let this little white gardenia convey.

Who knows tomorrow we may be Together or so far apart Take
this token of my love Cherish it and keep it close to your
heart

If our paths should ever cross again dear Accidentally, or by
fate designed If you wear a little white gardenia I'll know
you are mine.

Who knows tomorrow we may be Together or so far apart Take
this token of my love Cherish it and keep it close to your
heart

If our paths should ever cross again dear Accidentally, or by
fate designed If you wear a little white gardenia I'll know
you are mine.
