The ten-der side of me

4 -6b 7 7 -6b 5 -6b
I tried to be a moun-tain

The way I feel right now

Some-times all it takes

A man ain�t made of stone

VERSE 2

In this world of mine
There was no room for weakness
I covered every crack in the wall
But there aint no way that I can keep this secret
Cos when you go like jerico I fall
You thought I wouldn't shatter
Would I even care?
But there's more to what Im made of
Than this broken heart can bare
