oh alfie get up it`s a brand new day

i just can`t sit back and watch you

waste your life away

you need to get a job because the bills need to
get paid

get off your lazy arse,alfie use your brain

surely there`s some walls out there

that you can go and spray

i`m feeling guilty for leading you astray

now how the hell do you expect that you`ll get

laid,when all you do is stay and play on

your computer games?

(chorus)
