## Chandelier

When your looks don't work like they used to before  
And I can't sweep you off of your feet  
Will your mouth still remember the taste of my love  
Will your eyes still smile from your cheeks

And darling I will be loving you 'til we're 70  
And baby my heart could still fall as hard at 23  
And I'm thinking 'bout how people fall in love in mysterious  
ways  
Maybe just the touch of a hand  
Oh me I fall in love with you every single day  
And I just wanna tell you I am

So honey now  
Take me into your loving arms  
Kiss me under the light of a thousand stars  
Place your head on my beating heart  
I'm thinking out loud

Maybe we found love right where we are

When my hair's all but gone and my memory fades

And the crowds don't remember my name

When my hands don't play the strings the same way, mm

I know you will still love me the same

'Cause honey your soul can never grow old, it's evergreen

Baby your smile's forever in my mind and memory

I'm thinking 'bout how people fall in love in mysterious ways

Maybe it's all part of a plan

I'll just keep on making the same mistakes

Hoping that you'll understand

But baby now

Take me into your loving arms

Kiss me under the light of a thousand stars

Place your head on my beating heart

I'm thinking out loud

That maybe we found love right where we are, oh

(Ah la la, la la la, la la la, la la la la)

So baby now

Take me into your loving arms

Kiss me under the light of a thousand stars

Oh darling, place your head on my beating heart

I'm thinking out loud

That maybe we found love right where we are

Oh maybe we found love right where we are

And we found love right where we are
