Verse 2 SAME AS 1

I'm scanning all my radars
Well she said she's from a quasar
fourty thousand milion light years away
It's a distant solar system
Tried to phone but they don't list 'em
So I asked her for a number all the same
She said 'step in my transorter
So I can teleport ya all around my heavenly body'
This could be a close encounter
I should take care not to flounder
Sends me into hyper space
When I see her pretty face.
Sends me into hyperspace

(CHORUS)

6 6 6 -5 6 -5 6
when I see her pret-ty face [x8]
