Repeat notes above for next 2 verses:

If you believe in magic don't bother to choose

If it's jug band music oer rhythm and blues

Just go and listen it'll start with a smile

It won't wipe off your face no matter how hard you try

Your feet start tapping and you can't seem to find

How you got there, so just blow your mind

If you believe in magic, come along with me

We'll dance until morning till there's just you and me

And maybe, if the music is right

I'll meet you tomorrow, sort of late at night

And we'll go dancing, baby, then you'll see

How the magic's in the music and the music's in me
