Green

As I roved by the dockside on evening so rare

To view the still waters and take the salt air

I heard an old fisherman singing this song

O take me away boys my time is not long

Dress me up in me oilskin and jumper

No more on the docks I'll be seen

Just tell me old shipmates

I'm taking a trip, mates

And I'll see them someday in Fiddler's Green

Now Fiddler's Green is a place I've heard tell

Where fishermen go when they don't go to Hell

Where the weather is fair and the dolphins do play
And the cold coast of Greenland is far, far away

The sky's always clear and there's never a gale
And the fish jump on board with a flip of their tail
You can lie at your leisure, there's no work to do
And the skipper's below making tea for the crew

And when you're in dock and the long trip is thru
There's pubs and there's clubs, and there's lassies there too
Now the girls are all pretty and the beer is all free
And there's bottles of rum hanging from every tree

I don't want a harp or a halo, not me
Just give me a breeze and a good rolling sea
And I'll play me old squeeze box as we sail along
When the wind's in the rigging to sing me this song.
