Fix You

When your looks don't work like they used to before
And I can't sweep you off of your feet
Will your mouth still remember the taste of my love
Will your eyes still smile from your cheeks

And darling I will be loving you 'til we're 70
And baby my heart could still fall as hard at 23
And I'm thinking 'bout how people fall in love in mysterious
ways
Maybe just the touch of a hand
Oh me I fall in love with you every single day
And I just wanna tell you I am

So honey now
Take me into your loving arms

Kiss me under the light of a thousand stars
Place your head on my beating heart
I'm thinking out loud
Maybe we found love right where we are

When my hair's all but gone and my memory fades
And the crowds don't remember my name
When my hands don't play the strings the same way, mm
I know you will still love me the same

'Cause honey your soul can never grow old, it's evergreen
Baby your smile's forever in my mind and memory

I'm thinking 'bout how people fall in love in mysterious ways
Maybe it's all part of a plan
I'll just keep on making the same mistakes
Hoping that you'll understand

But baby now
Take me into your loving arms
Kiss me under the light of a thousand stars
Place your head on my beating heart
I'm thinking out loud
That maybe we found love right where we are, oh

(Ah la la, la la la, la la la, la la la la)

Oh maybe we found love right where we are
