Morning alone
When you come home
I breath a little faster
Every time were together
It'd never be the same
If youre not here
How can you stay away, away so long.

Why cant we stay together
Give me a reason
Give me a reason.

Chorus
I, I dont wanna say it
I dont wanna find another way
Make it trough the day without you
I, I cant resist
Try to find exactly what I missed
Its just another day without you
Its just another day oh

Making the time
Find the right lines
To make you stay forever
What do I have to tell you

Im just trying to hold on to something

(trying to hold on to something good)

Oh give us a chance to make it.

To make it no no no

Dont wanna hold on to never

Im not that strong

Im not that strong.

I, I dont wanna say it

I dont wanna find another way

Make it trough the day without you

I, I cant resist

Trying to find exactly what I missed

Its just another day without you.

Why cant you stay forever

Just give me a reason

Give me a reason.
