## Let It Go (Single Version)

You wanna play, you wanna stay, you wanna have it all  
You started messing with my head until I hit a wall  
Maybe I should've known, maybe I should've known  
That you would walk, you would walk out the door, hey!

Said we were done, and met someone and rubbed it in my face  
Cut to the part she broke your heart, and then she ran away  
I guess you should've known, I guess you should've known  
That I would talk, I would talk

But even if the stars and moon collide  
I never want you back into my life  
You can take your words and all your lies  
Oh oh oh! I really don't care  
Even if the stars and moon collide  
I never want you back into my life  
You can take your words and all your lies  
Oh oh oh! I really don't care

 We share **Hamornica Tabs** for Free – Our goal is to have a website where everyone can find and share all of their Harmonica Tabs in one central location. Please feel free to look around and post the harp tabs you have or request ones you are looking for.

Oh oh oh! I really don't care

I can't believe I ever stayed up writing songs about you  
You don't deserve to know the way I used to think about you  
Oh no, not anymore, oh no, not anymore  
You had your shot, had your shot, but you let go

Now if we meet out on the street I wont be running scared  
I'll walk right up to you and put one finger in the air  
And make you understand, and make you understand  
You had your chance, had your chance

But even if the stars and moon collide  
I never want you back into my life  
You can take your words and all your lies  
Oh oh oh! I really don't care  
Even if the stars and moon collide  
I never want you back into my life  
You can take your words and all your lies  
Oh oh oh! I really don't care  
Oh oh oh! I really don't care

[Cher Lloyd]  
Yeah, listen up  
Hey, hey never look back  
Dumbstruck boy, ego intact  
Look boy, why you so mad  
Second guessin', but shoulda hit that

Hey Demi you picked the wrong lover  
Shoulda picked that one, he's cuter than the other  
I just wanna laugh, cause you tryna be a hipster  
Kick him to the curb, take a polaroid picture

But even if the stars and moon collide  
I never want you back into my life  
You can take your words and all your lies  
Oh oh oh! I really don't care  
Even if the stars and moon collide  
I never want you back into my life  
You can take your words and all your lies  
Oh oh oh! I really don't care  
Oh oh oh! I really don't care
