Eager for action and hot for the game

The coming attraction, the drop of a name

They knew all the right people, they took

all the right pills

They threw outrageous parties, they paid heavily bills.

There were lines on the mirror, lines on her face

She pretended not to notice, she was caught up
in the race

Out every evening, until it was light
He was too tired to make it, she was too tired
to fight about it

Life in the fast lane
Surely make you lose your mind
Life in the fast lane, everything all the time
Life in the fast lane, uh huh
Blowin' and burnin', blinded by thirst
They didn't see the stop sign,
took a turn for the worst.

She said, "Listen, baby. You can hear the engine
ring. We've been up and down this highway;
haven't seen a goddam thing."
He said, "Call the doctor. I think I'm gonna crash."
"The doctor say he's comin', but you gotta pay him cash."
They went rushin' down that freeway, messed around
and got lost
They didn't know they were just dyin' to get off
And it was life in the fast lane
Life in the fast lane
