Long Train Runnin

Here is the tab for "Long Train Runnin'" by the Doobie Brothers. The only way I can make this sound close to correct is by using the pucker method (opposed to the tongue block, which I have grown accustomed to) on most of the sounds. This is because there are some pretty rapid bends. Maybe if your a bad mofo when it comes to bending you can squeeze by this problem.

*Note: I find that many of the quick bends are easily produced by sort of whistling backwards while tonguing the word "to, two or

too" while
sucking in air. Whichever you prefer.

The tab isn't 100% correct, but it gives a good frame to work around.

Any input is appreciated
