0 Susianna

Don't mean to cause you pain

You know I love you honey

But your face would stop a train

We was comin outta Denver

The weather bein' fine

Goin' to Kansas City

On that – Rock Island Line

thirty miles of track ahead

and I heard the brakes go out

some of the men began to pray

but I began to shout

Oh Susanna,

don't mean to cause you pain

You know I love you honey,

but your face could stop a train.

Did you hear about Susanna,  
she was in a terrible wreck  
yeah, a big truck hit her head on  
and durn near broke her neck  
Well, they worked all night  
they worked all day  
they finally got her free  
and now she's wearing treadmarks  
where dimples used to be  
Ohhhh Susianna  
Don't mean to cause you pain  
You know I love you honey  
But your face would stop a train  
We was drillin down in Texas  
And the hole began to choke  
Yeah we lost the bit in bedrock

And the boss was goin broke  
Foreman called for Susianna  
Give 'er a shot of Gin  
Shoved her headfirst down the hole  
And brought that gusher in  
Oh it's heartache and heartache and heartache  
for a loved one that looks the way you do (hard looker!)  
Oh it's heartache and heartache and heartache  
Meanest lookin gal I ever knew  
Susie anna, Suzie anna, Suzie anna!!!
