Hey on-ly a lone-ly heart sees

What love can be

-56-6* 7 7 7 -6*-6* -4 -4-3

Hey on-ly a lone-ly heart sees

-3 -3 -4 -4

What love can be

-2* -2* 3 3

What love can be

You magic in your eyes

Peaceful and clear as a summer day

Showed me the truth behind love's disguise

I couldn't hear a sound

Pure as the melodies ever sung

Two strings together that makes us one

Only a lonely heart sees

Where love can be

Only a lonely heart sees

Where love can be

Only a lonely heart sees

Where love can be

Only a lonely heart sees

Where love can be

You breezin' through my mind
Oh no my lady I can't deny
You know the way to paradise
Could this be torn apart
Standing in the pouring rain
Running from love when it brings you pain

Only a lonely heart sees
Where love can be
Only a lonely heart sees
Where love can be

Only a lonely heart sees
Where love can be
Only a lonely heart sees
Where love can be
