Key:

Genre:

Harp Type:

Skill:

I don't want a lot for Christmas
There is just one thing I need
I don't care about the presents
Underneath the Christmas tree.

I just want you for my own
More than you could ever know
Make my wish come true
All I want for Christmas
Is you, you yeah.

I don't want a lot for Christmas
There is just one thing I need
And I don't care about the presents
Underneath the Christmas tree.

I don't need to hang my stocking
There upon the fireplace

Santa Claus won't make me happy
With a toy on Christmas Day.

I just want you for my own
More than you could ever know
Make my wish come true
All I want for Christmas is you
You baby.

Oh, I won't ask for much this Christmas
I won't even wish for snow
And I'm just gonna keep on waiting
Underneath the mistletoe.

I won't make a list and send it
To the North Pole for Saint Nick
I won't even stay awake to
Hear those magic reindeer click.

'Cause I just want you here tonight
Holding on to me so tight
What more can I do?
Baby all I want for Christmas is you,
You Baby.

Oh, all the lights are shining
So brightly everywhere
And the sound of children's
Laughter fills the air.

And everyone is singing
I hear those sleigh bells ringing
Santa, won't you bring me the one I really need?
Won't you please bring my baby to me?

Oh, I don't want a lot for Christmas
This is all I'm asking for
I just want to see my baby
Standing right outside my door.

Oh, I just want you for my own
More than you could ever know
Make my wish come true
Baby all I want for Christmas is
You, You baby.

All I want for Christmas is you, baby
All I want for Christmas is you, baby

When You Believe

Key:

Genre:

Harp Type:

Skill:

Many nights we've prayed
With no proof anyone could hear
In our hearts a hopeful song
We barely understood

Now we are not afraid
Although we know there's much to fear
We were moving mountains long
Before we know we could

Oh yes, there can be miracles
When you believe
Though hope is frail
It's hard to kill

Who knows what miracle
You can achieve
When you believe
Somehow you will
You will when you believe

In this time of fear
When prayer so often proves in vain
Hope seems like the summer birds
Too swiftly flown away

And now I am standing here
My hearts so full, I can't explain
Seeking faith and speaking words
I never thought I'd say

There can be miracles
When you believe
Though hope is frail
Its hard to kill

Who knows what miracles
You can achieve
When you believe
Somehow you will
You will when you believe

They don't always happen when you ask
And its easy to give in to your fear, ohh
But when you're blinded by your pain
Cant see your way safe through the rain
Thought of a still resilient voice
Says love is very near

There can be miracles

You can achieve

You will when you believe
Just believe
You will when you believe
Just believe
You will when you believe

I am thinking of you
In my sleepless solitude tonight
If it's wrong to love you
Then my heart just won't let me be right
'Cause I'm drowned in you
And I won't pull through
Without you by my side

I'd give my all to have
Just one more night with you
I'd risk my life to feel
Your body next to mine
'Cause I can't go on
Living in the memory of our song
I'd give my all for your love, tonight

Baby can you feel me
Imagining I'm looking in your eyes
I can see you clearly
Vividly emblazoned in my mind
And yet you're so far like a distant star
I'm wishing on tonight

I'd give my all to have
Just one more night with you
I'd risk my life to feel

Skill:

(Ooh, ooh, sweet love, yeah)

I didn't mean it when I said I didn't love you so
I should've held on tight, I never should've let you go
I didn't know nothing, I was stupid, I was foolish
I was lying to myself

I could not fathom I would ever be without your love
Never imagined I'd be sitting here beside myself
'Cause I didn't know you, 'cause I didn't know me
But I thought I knew everything
I've never fail

The feeling that I'm feeling now that I don't hear your voice
Or have your touch and kiss your lips 'cause I don't have a
choice
Oh, what I wouldn't give to have you lying by my side
Right here, 'cause baby
(We belong together)

When you left I lost a part of me (Together)
It's still so hard to believe
(Come back, come back)
Come back baby, please
(Come back, come back)
'Cause we belong together

Who else am I gon' lean on when times get rough (Ooooooh yeah)

Who's gonna talk to me on the phone till the sun comes up
(Ooooooh yeah)

Who's gonna take your place, there ain't nobody better
(Ooooooooooh yeah)

Oh, baby baby, we belong together

I can't sleep at night when you are on my mind

Bobby Womack's on the radio singing to me:

"If you think you're lonely now"

Wait a minute this is too deep (too deep)

I gotta change the station so I turn the dial

Trying to catch a break and then I hear Babyface:

"I only think of you", and it's breaking my heart

I'm trying to keep it together but I'm falling apart

I'm feeling all out of my element

I'm throwing things, crying

Trying to figure out where the hell I went wrong

The pain reflected in this song ain't even half of what I'm
feeling inside

I need you, need you back in my life, baby

(We belong together)

When you left I lost a part of me (Together)

It's still so hard to believe

Bless your soul, you got your head in the clouds

She made a fool out of you and, boy, she's bringing you down

She made your heart melt but you're cold to the core

Now rumour has it, she ain't got your love anymore

Close enough to start a war
All that I have is on the floor
God only knows what we're fighting for
All that I say, you always say more

I can't keep up with your turning tables
Under your thumb, I can't breathe

So I won't let you close enough to hurt me
No, I won't ask you, you to just desert me
I can't give you what you think you gave me
It's time to say goodbye to turning tables, to turning tables

Under haunted skies I see
Where love is lost, your ghost is found
I've braved a hundred storms to leave you
As hard as you try, no, I will never be knocked down

I can't keep up with your turning tables
Under your thumb, I can't breathe

So I won't let you close enough to hurt me, no
I won't ask you, you to just desert me
I can't give you what you think you gave me
It's time to say goodbye to turning tables, turning tables

Next time I'll be braver, I'll be my own savior

I know I have a fickle heart and a bitterness
And a wandering eye and heaviness in my head

But don't you remember? Don't you remember?
The reason you loved me before
Baby, please remember me once more

When was the last time you thought of me?
Or have you completely erased me from your memory?
I often think about where I went wrong
the more I do, The less I know

But I know I have a fickle heart and a bitterness,
And a wandering eye and a heaviness in my head

But don't you remember? Don't you remember?
The reason you loved me before
Baby, please remember me once more

I gave you the space so you could breathe
I kept my distance so you would be free
And hope that you find the missing piece
To bring you back to me

Why don't you remember? Don't you remember?
The reason you loved me before
Baby, please remember me once more

When will I see you again?

Set Fire To The Rain

Key:

Genre:

Harp Type:

Skill:

I let it fall, my heart,
And as it fell you rose to claim it
It was dark and I was over
Until you kissed my lips and you saved me

My hands, they're strong
But my knees were far too weak
To stand in your arms
Without falling to your feet

But there's a side to you that I never knew, never knew
All the things you'd say, they were never true, never true
And the games you'd play, you would always win, always win

But I set fire to the rain
Watched it pour as I touched your face
Let it burn while I cry
'Cause I heard it screaming out your name, your name

When laying with you
I could stay there, close my eyes
Feel you here, forever
You and me together, nothing gets better

Cause there's a side to you that I never knew, never knew
All the things you'd say, they were never true, never true
And the games you'd play, you would always win, always win

But I set fire to the rain
Watched it pour as I touched your face
Let it burn while I cried
'Cause I heard it screaming out your name, your name

I set fire to the rain
And I threw us into the flames
Where I felt something die, 'cause I knew that
That was the last time, the last time

Sometimes I wake up by the door
As if that heart you caught is still waiting for you
Even now when it's already over
I can't help myself from looking for you

I heard that you're settled down
That you found a girl and you're married now
I heard that your dreams came true
Guess she gave you things I didn't give to you

Old friend, why are you so shy?
Ain't like you to hold back or hide from the light

I hate to turn up out of the blue, uninvited
But I couldn't stay away, I couldn't fight it
I had hoped you'd see my face and that you'd be reminded
That for me, it isn't over

Never mind, I'll find someone like you
I wish nothing but the best for you, too
Don't forget me, I beg, I remember you said
Sometimes it lasts in love, but sometimes it hurts instead
Sometimes it lasts in love, but sometimes it hurts instead

You know how the time flies
Only yesterday was the time of our lives
We were born and raised in a summer haze
Bound by the surprise of our glory days

I hate to turn up out of the blue, uninvited
But I couldn't stay away, I couldn't fight it
I had hoped you'd see my face and that you'd be reminded
That for me, it isn't over

Never mind, I'll find someone like you
I wish nothing but the best for you, too
Don't forget me, I beg, I remember you said
Sometimes it lasts in love, but sometimes it hurts instead,
yeah

Nothing compares, no worries or cares
Regrets and mistakes, they're memories made
Who would have known how bittersweet this would taste?

Never mind, I'll find someone like you
I wish nothing but the best for you
Don't forget me, I beg, I remember you said
