Genre: Jazz

Harp Type: Chromatic

Skill: Any

Pretend (chromatic)

By: Lew Douglas, Cliff Parman, Frank Lavere
Nat King Cole
Key: C

1 2 3 4 -3 -4 3 2
Pre-tend you're hap-py when you're blue
1 2 3 4 -3 -4 3 -2
It is-n't ver-y hard to do.
-1 -2 -3 -5 -4 4 -3 -4 -5 -3
And you'll find hap-pi-ness with-out an end
3 -4 -5 -3 -4 2
When-ev-er you pre-tend.

1 2 3 4 -3 -4 3 2
Re-mem-ber an-y-one can dream
1 2 3 4 -3 -4 3 -2
And noth-ing's bad as it may seem.
-1 -2 -3 -5 -4 4 -3 -4

The lit-tle things you have-n't got
-5 -3 3 -4 -5 -3 3 4
Could be a lot if you'd pre-tend.

6 -5 5 6 -5 5 -4
You'll find a love you can share
-5 5 -4 -5 5 -4 -3
One you can call all your own.
4 -4 -3 4 -4 -3 -4
Just close your eyes, she'll be there.
-3 -4 4 -4 -3 -4
You'll nev-er be a-lone.

1 2 3 4 -3 -4 3 2
And if you sing this mel-o-dy
1 2 3 4 -3 -4 3 -2
You'll be pre-tend-ing just like me.
-1 -2 -3 -5
The world is mine,
-4 4 -3 -4 -5 -3
it can be yours, my friend,
3 -4 -5 -3 3 4
So why don't you pre-tend.
