

Key: A

Genre: General

Harp Type: Diatonic

Skill: Any

## Roadhouse Blues (harp part)

By “chirps”, I mean staccato. Use your tongue between your teeth.

/ = bend up to the note ( /-4 for example)

/ = bend down from the note ( -2 for example)

gl = gliss ( -4 gl -2 for example)

[-4' -4' 5 6] = four separate notes played quickly (quick)

Find a recording of the studio version in which the harp comes through

clearly so you can hear the details of the draws & bends.

In the intro, some moanin' & wailin' is done on the -1. That is an overdub.

(Editing is impossible, so good luck figuring out where some stuff

belongs. I give up trying to get it right. It can't be done.
