“()” indicates playing fast, but not too fast.

“[]” indicates playing faster.

This sounds beautiful if done exactly right on a Diatonic Eb Harmonica but it will also work on any another harmonica.

Lyrics

For tonight's performance of the The Sound of Silence Join us
on the stage To be the odd Garfunkel to my Paul Simon tonight
Please welcome mister Myles Kennedy Now fire up those lighter
and cellphone And hold them it up in the air people, now it's
the time

Hello darkness, my old friend I've come to talk with you again
Because a vision softly creeping Left its seeds while I was
sleeping And the vision that was planted in my brain Still
remains Within the sound of silence

In restless dreams I walked alone Narrow streets of
cobblestone 'Neath the halo of a street lamp I turned my
collar to the cold and damp When my eyes were stabbed by the
flash of a neon light That split the night And touched the
sound of silence

And in the naked light I saw Ten thousand people, maybe more
People talking without speaking People hearing without

listening People writing songs that voices never share And no
one dared Disturb the sound of silence

"Fools, " said I, "You do not know Silence, like a cancer,
grows Hear my words that I might teach you Take my arms that I
might reach you" But my words, like silent raindrops fell And
echoed in the wells, of silence

And the people bowed and prayed To the neon god they made And
the sign flashed out its warning In the words that it was
forming And the sign said, "The words of the prophets are
written on the subway walls And tenement halls" And whispered
in the sounds of silence

Give it nice and loud for Mister Myles Kennedy
