I will dance I will sing and my laugh shall be gay  
I will charm every heart in each crown I will sway  
When I woke from my dreaming my idols were clay  
All portions of love had all blown away

Oh he taught me to love him and promised to love  
And to cherish me over all others above  
How my heart is now wondering no misery can tell  
He's left me no warning no words of farewell

Oh he taught me to love him and call me his flower  
That was blooming to cheer him through life's dreary hour  
Oh I long to see him and regret the dark hour  
He's gone and neglected his pale wildwood flower
