SONG FACTS: Published in 1939, "You Are My Sunshine", written by Jimmie Davis, is one of the most popular country songs. It has been adopted by the Louisiana State as the state song. I like it, and wanted to play it in the original way, as well in a more advanced form. Grab your harmonica and give it a try!

Lyrics

The other night dear, as I lay sleeping I dreamed I held you
in my arms But when I awoke, dear, I was mistaken So I hung my
head and I cried

You are my sunshine, my only sunshine You make me happy when
skies are gray You'll never know dear, how much I love you
Please don't take my sunshine away

I'll always love you and make you happy If you will only say
the same But if you leave me and love another You'll regret it
all some day

You are my sunshine, my only sunshine You make me happy when
skies are gray You'll never know dear, how much I love you
Please don't take my sunshine away

You told me once, dear, you really loved me And no one else
could come between But now you've left me and love another You
have shattered all of my dreams

You are my sunshine, my only sunshine You make me happy when
skies are gray You'll never know dear, how much I love you
Please don't take my sunshine away

In all my dreams, dear, you seem to leave me When I awake my
poor heart pains So when you come back and make me happy I'll
forgive you dear, I'll take all the blame
