Key: Any

Genre: General

Harp Type: Diatonic

Skill: Beginner

Young Blood (Noah Kahan)

5 -4, 5 -4, 4 -4 3
Oh dear, oh dear, I'm sorry
3 -4 5 -4 4 4
That you grew up so soon
4 5 -4 4 5 -4 -4 -4 3
A cold year with no high school parties
3 6 5 -4 -4 4 6 5
But I've been drinking alone
6 5 -4 -4 4 6 5
I've been drinking alone

4 5 -4, 4 5 -4 -4 -4 3
But don't fear, just don't fear their warnings
3 -4 5 -4 4 4
They're bitterer than most
5 -4 4 -4 -4 5 -4 4 -4 3
Four years of driving across the country
3 6 5 -4 -4 4 4 6 5

For empty seats at their shows
4 6 5 -4 -4 4 6 5
And they've been drinking alone

-4 4
So

(Chorus)
6 5 5, 6 5 5, 6 4 -3″ 3
Keep your time, keep your mind, keep it humble
6 5 5 6 5 5 5 6 4 -3″ 3
Start your life in the middle of the jungle
4 -4 5 6 -6 7 -8 9 -8 8 8
You
7 6
Young blood
7 6
Young blood

Rub your eyes, be surprised, keep hungry
Stay alive and try to lose all of your money
You
Young blood
Young blood
You
Young blood
Young blood

Lyrics
