HOWDY FOLKS!!

Yet Another Top Quality Tab, in my Stevie Wonder Series

I am excited beyond belief as well as honoured and humbled to present

these three tabs to you!! it needs 3 tabs as Stevie's harp works

throughout this song are very extensive , with stevie entering at

0:01

and staying virtually

throughout the entire song. So to aid you in learning it, ive broken

this into 3 tabs, to make it easy to follow and easy to learn (Embouchure and at times speed is on you, but trust me practice and it

will come, then you like me can play along note for note with Stevie
and with the very faint notes provided to you, will be able to close
it out!!)

the First tab contains Stevie's Harp into and the very mini solo at
1:02 in the song.

tab two (THIS TAB) contains every single Harp fill, ad libbed note
that is heard
throughout the song

Tab three contains the solo at 2:21 in the song and his harp fill
outro's

This song is amazing, not just for Stevie's playing but it has to be
among Taylor's Best! and upbeat works Furthermore it is without a
doubt not only signature Stevie but among his best works ever!

without further ado here it is

NOTE* when you see < it means play the hole with THE SLIDE BAR

Lyrics

Wilkinsons Miscellaneous A Little More Love Of what her momma did

She was a perfect picture Of a perfect wife Out of focus In her perfect life So safe, so warm No hint of danger Wasting years With the perfect stranger

But tough luck's The only luck she's known And tough luck To build your life on hope (Oh) But she bought the deal She made the vow She'd walk away But she's just too proud To ever throw in the towel Tough luck

Convinced herself That life made perfect sense Two-car garage And a white picket fence Sometimes she feels Like such a hypocrite She's just a face in the portrait And that's about it They were just Two lonely people On this big blue ball

Somehow fate Brought them together In the middle of it all And
tonight There out there dancin' Spinning 'round And 'round
There's a Little more love In the world tonight A little more
light In the stars A little more grace In this vast universe
Starting with this Boy and girl There's a little more love In
the world tonight (tonight)

The sun will still Come up tomorrow Nothing much will change
But for these two Lonely people Life will never Be the same It
may not make A lot of difference In the grand design
